Exhibition Space in Central Copenhagen for Rent

Ideal for showrooms, pop-up exhibitions, product launches and more.

This 100 m² exhibition space combines authentic Copenhagen charm with beautiful period details such as decorative wall panelling and stucco ceilings, alongside a raw, industrial aesthetic. The bright and flexible setting makes it ideal for creative product launches, events and much more.

Featuring large windows and a direct entrance from Sølvgade, white-painted walls and a New York-style industrial glass partition, the space offers a naturally bright atmosphere that feels both inspiring and authentic.

The exhibition space is particularly well suited for showrooms, pop-up events, presentations and product launches, but can also be used for a wide range of other purposes.
